## Gets Your Stomach Under Perfect Control

Instant Relief for Indigestion and Stomach Troubles. May Be Relieved Even by Sturdt's Dyspepsia Tablets.

There is no occasion to suffer from indigestion or any similar stomach trouble when you can so easily get Sturdt's Dyspepsia Tablets.  
There is scarcely a well stocked drug or general store in the United States but what considers these tablets part of their staple stock.

You Can Travel Anywhere and Eat Anything They Serve. If You Have Sturdt's Dyspepsia Tablets With You.

Millions are every year—and when every other man or woman you meet recommends them to you if you will but inquire—why do you continue to suffer from stomach trouble?  
The reason why Sturdt's Dyspepsia Tablets are such a widely used remedy are very easy to understand. These tablets contain almost the same elements as the gastric juices of the stomach. And when your stomach is sick and not working just right, it does not give out enough of the natural digestive juices to properly take care of the food you eat. So if you will only give the stomach a little help by taking a Sturdt's Dyspepsia Tablet after meals you will relieve the stomach of its chief duty and allow it the rest it needs to recuperate. One grain of the active principle in a Sturdt's Dyspepsia Tablet digests 3,000 grains of food, whether you place it in a glass jar with cooked food or in your stomach after you have eaten the food.

All druggists sell Sturdt's Dyspepsia Tablets and once you try them you will never again wonder what to do for a disordered, weak, sour and gassy stomach. 20 cents a box.—Adv.

## HAYDEN, ARIZ.

Hayden, Ariz., Dec. 4.—One of the biggest events of the year in Hayden was the first annual ball given by the Elks in the Hayden hotel. Four hundred invitations had been issued to friends of the 40 Stragglers including many in Ray, Phoenix and other points, and over 300 responded by their presence. The hall was decorated with the lodge colors of purple and white, two large American flags were draped on the two side walls and B. P. O. E. pennants covering the remaining space. Pumps were served during the evening. Dr. and Mrs. C. B. Wiley led the march. The programs were a piece of art with a purple Elks' head emblem on the cover and the names of the Stragglers Herd appearing on the back with their respective lodge and number. Twenty-four dances with few extras made up the program for the evening and at 7 o'clock when the last piece was played the hall was filled with nearly as many dancers as at the start. Sandwiches and coffee were served during the evening in one of the side rooms and in the back of the hall a room was fixed up with tables where games were enjoyed for those who did not care to dance. At the hour of 11 the Stragglers gathered in the center of the hall and to the telling of the hour offered the toast to the departed Elks and finished by singing the Elks' song, "Auld Lang Syne."
